Joel Pelletier is an actor, musician, artist and luthier living in Hollywood, CA.

His acting skills range from comedic (manic, physical comedy &/or dead pan) to dramatic (intellectual/doctor/creative professional/artistic type). His voiceover skills include narration, characters and dubbing. He is experienced with special effects costume and period costume (and has own extensive 50s-70s wardrobe & eyeglass options). Joel is also a pro musician/singer (primarily as electric and acoustic bassist, pianist/keyboard player, but also acoustic/electric guitar, mandolin and sideline violin & drums) especially in classic rock, blues and jazz styles. His other skills include as an experienced builder/carpenter/painter; pro computer graphic artist and web designer; fine artist (painter/illustrator); guitar tech and builder & sound engineer (and he has pro audio gear for voiceover recording).
